

Consent for Participating AddressPool

- Customers help Customers -

By completing this form and providing your personal data, you agree to become an AddressPool provider – so that you can make your Mercedes-Benz or Setra bus available to other customers of Daimler Buses GmbH in the future. To do this, send us your contact details using this form and, in the event of a breakdown involving another customer in your area, we will then pass on your contact details to this customer. You can freely negotiate the conditions with each other.

Yes, I agree that the contact details listed below will be processed by Daimler Buses GmbH, for contact by the Daimler Truck Customer Center and for forwarding to the customer who needs a replacement bus due to a breakdown.

After your registration in the AddressPool, we will transfer your data to an external service provider, the Daimler Truck Customer Centre (DTCC), within the EU/EEA for administrative purposes. In the event of a breakdown, the data is forwarded by the DTCC to the company that requires the replacement bus.

Your personal data will be processed for the aforementioned purposes on the basis of your consent. Your consent is given voluntarily. We will use your personal data in accordance with this consent for the aforementioned purposes only until you revoke your consent or object to

the processing, but no later than after 2 years. To do so, you can contact us at: buspool@omniplus.com.

Revoking your consent will not affect the lawfulness of the data processing under consent or other lawful processing before revocation. You are entitled to receive information about your personal data at any time, to have the data corrected or erased, to limit the scope of processing or to lodge a complaint with us or a supervisory authority. You are free to exercise your right to data portability. In such cases, please contact us: buspool@omniplus.com.

Your personal data will not be stored by the respective data controller for longer than is necessary for the purpose. As soon as you cancel your participation in the AddressPool or withdraw your consent, we will notify the Daimler Truck Customer Centre, which will delete your data directly. You will then no longer be contacted for requests for a replacement bus.

We kindly ask you to inform us of any changes to your contact details in order to ensure smooth processing of the breakdown case.

You can contact our Group Data Protection Officer as well as the data controller as follows:
